

## Application #1 Request for Eligibility Certification

Easy Breeze Paratransit is an ADA Complimentary Paratransit service that provides persons who, due to a disability, are unable to use Palmetto Breeze Transit's public fixed route transportation, which includes low floor accessible buses. Please complete this application as thoroughly as possible and to the best of your ability. If there are questions you cannot answer, or if you need assistance to complete this form, please call Easy Breeze Paratransit (843-757-7129) for assistance. This is the first of two (2) applications that need to be completed in order for your eligibility to be determined. The purpose of this form is to provide an opportunity for you to describe barriers in the environment and how your disability prevents you from using Palmetto Breeze Transit's fixed route bus service. The more information you provide, the better Easy Breeze Paratransit will understand your ability and travel challenges.

The second application (Application #2) will be sent to your physician, health care or rehabilitation professional indicated on the last page of Application #1, after our office receives it. Once both parts of the application have been received, a determination of eligibility is made, and a packet of information pertaining to this eligibility determination will be mailed to you.

Information contained in this application will be kept confidential and shared only with professionals involved in evaluating your eligibility.
